

WM 43/48/56 B1R

WM 70 B2R Pluggable/Fixed Gooseneck Microphones

Features

- Uni-directional microphone stem
- Pluggable/fixed gooseneck microphone

The stylish and elegant designed microphone with an adjustable stem simply plugs directly into a table-top & flush-mounted conference discussion unit.

It is equipped with a uni-directional response for optimum performance even in noisy circumstances, and has low susceptibility to interference from cell phones.

Functions

Controls and Indicators

- Red Ring of Light illuminator indicates microphone is active and request-to-speak status (red illuminator is keep flashing)

Interconnections

- Connector to plug and fasten the microphone with quick screw ring
