

You don't have to cut corners on quality if you need a big speaker for a budget: OVO8 is your solution. This speaker is nothing short of impressive, but never invasive. Thanks to but thanks to its young and fresh design it fits into any large room, whatever the interior style. OVO8 is can be used for covered outdoor use, and is available in black and white color. They can be painted in any RAL color from a minimum of 12 pieces (ref.: PAINTCAB8). The included bracket allows flexible positioning, while the sturdy ABS plastic housing and rust free aluminum grill guarantee years of trouble free musical enjoyment. Quick-Fit cable clamps ensure quick and easy mounting. Affordable, but by no means a compromise on sound quality –typically APart!
